

Is Your Brand Poised for Growth

via Acquisition or Retention?

Achieve relentless relevance and stay ahead of evolving consumer needs by better understanding your position and the people who drive your market.

Women's Athleisure Category

One of the most telling ways to understand if your brand is poised for growth or vulnerable to decline within the category is to pay attention to both behavioral loyalty and attitudinal equity. This shows the opportunity you have to leverage attitudinal equity to grow through acquisition.

Reebok has an opportunity to acquire up to

30000 of current category purchasers from its competitors

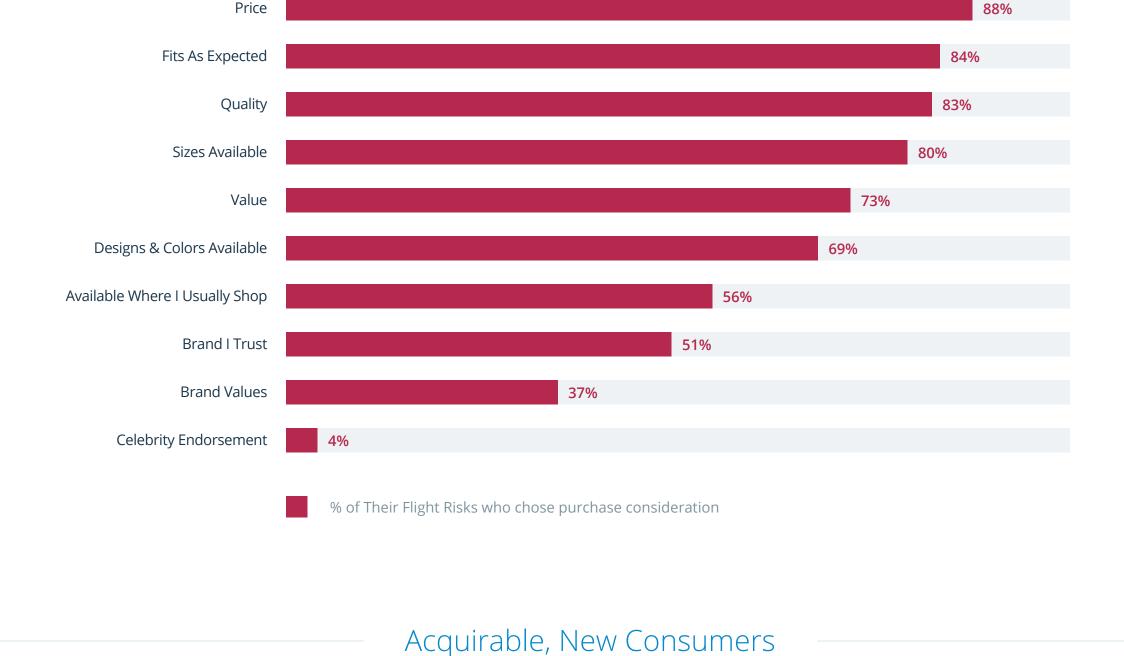

Which is at least 6.19 million new customers
